It's high time + subject + verb in past tense

القاعدة <—

HOW TO REORDER SENTENCES

هناك علامات مهمة تساعد على ترتيب الجمل لتشكيل فقرة وهي أدوات الترقيم حيث أن الفقرة يجب أن تبدأ بإسم واضح و تنتهي ب (. / ? / !) فيما يلي شرح مفصل لذلك

Be aware of

. N
, n
n

- The beginning and ending of each statement might help capitalization, lowercase, full stop (.), comma (,) or an empty space at the end
بدايات و نهايات الجمل تساعد بشكل كبير جدا
- The first statement needs to start with a clear nominative subject and not with: Pronouns, subordinators, coordinators, relative adverbs, relative pronouns...etc
They, because, and, who.....etc

أول جملة يجب أن تبدأ بإسم واضح و ليس ضمير.....الخ

- The last statement have to end with (. / ? / !)
آخر جملة يجب أن تنتهي ب (. / ? / !)

Example:

Reorder the following statements

- It also contributes to the economic progress of its community.
- to improve its business performance,
- Responsible business conduct allows an enterprise
- make profits, and meet its stakeholders' expectations.

(C - B - D - A)

انتبه لصيغة السؤال

Reorder the following statements هنا يكفي ترتيب الجمل كما في المثال

Reorder the following statements to make a coherent paragraph هنا يجب ترتيب الجمل على شكل فقرة

UNLESS

Unless هي صيغة النفي ل If أي if...not

Unless: ifnot

Example: عند إضافة unless يجب نزع if...not معا

1- If you don't study you will fail

-----> Unless you study you will fail correct ✓

Unless you don't study you will fail false ✗

2- If you didn't lose your keys, you would be at home

3- if you hadn't suggested it, I wouldn't have phoned him

-----> Unless you had suggested it, I wouldn't have phoned him correct ✓

Unless you hadn't suggested it, I wouldn't have phoned him false ✗

If.....Don't write	→	unless...write	If.....hadn't written	→	unless...had written
if...doesn't write	→	unless...writes	If.....weren't writing	→	unless...were written
if....didn't write	→	unless.....wrote			writing

CAUSE & RESULT

The cause:

1/- (because, since, as) + subject

توضع أدوات السبب دائما قبل الجملة التي حدثت أولا

Example:

the baby is crying, he is hungry -----> the baby is crying since he is hungry

2/- (due to, for, because of, owing to) + {noun phrase(an.../a...) / gerund(stem+ing)}

Example:

the unemployment was high, an economic crisis -----> the unemployment was high due to an economic crisis

The result:

توضع أدوات النتيجة دائما قبل الجملة التي حدثت ثانيا

1/- (as a result, consequently, so, so that, thus, therefore) + subject

Example:

the plan was delayed, I had to wait for 5 hours-----> the plan was delayed thus I had to wait for 5 hours

1-----cause----->2

1<-----consequence-----2

the plan was delayed, I had to wait for 5 hours-----> I had to wait for 5 hours because the plan was delayed

IN SPITE OF / DESPITE / ALTHOUGH

In spite of, despite and although are all used to show a contrast but there are differences in the structures used with them.

تستعمل جميعها لتبيان التضاد

Despite + noun + rest of the sentence

- We enjoyed our camping holiday *in spite of* c, القاعدة
- *Despite* the pain in his leg he completed the marathon.
- *Despite* having all the necessary qualifications, they didn't offer me the job.
- *Despite* of the bad weather, there was a large crowd at the match. false

- We enjoyed our camping holiday *although* it rained every day.
- *Although* he worked very hard, he didn't manage to pass the exam.

We can use **in spite of** and **despite** with a subject and verb if we include the expression 'the fact that'.

- *In spite of the fact that* he worked very hard, he didn't manage to pass the exam.
- *Despite the fact that* he worked very hard, he didn't manage to pass the exam.

Even though على الرغم من

Even though is a slightly stronger form of although.

- We decided to buy the house *even though* we didn't really have enough money.
 - You keep making that stupid noise *even though* I've asked you to stop three times.
- Like **although**, **even though** is followed by a subject and a verb.

.The only difference between in spite of and despite is the 'of'.
تذكر أن gerund يعتبر اسم كذلك
الفرق الوحيد بين of هو in spite of and despite

جميع هذه الأدوات لها نفس المعنى و الاختلاف يكمن في قاعدة الاستعمال كما هو مبين في الدرس

ACTIVE & PASSIVE VOICE:

A.V : Subject + verb + object + rest of the stce

Child labour is a worldwide crime. It refers to children exploitation. This danger became a major issue yet the remaining problem is not knowing how to tackle it. Therefore, several procedures must be taken to fight this problem

First and foremost, we have to fight poverty by increasing the salary of all workers especially the poor ones so they can close the gap of being in need. After that, we have to impose stringent regulations to ban child labour definitely because it's the main problem. Lastly and most importantly, it is obligatory to sensitize families of the dangers of this latter due to its speed at spreading, to put it differently this problem is expanding fastly and we have to stop it.

To conclude we have to put hand in hand to ban this danger completely to live in a better world because this is not a personal issue but all people concern.

First and foremost, fighting corruption by Giving a better salary to workers because low wages are the main source of this latter. Second, banning bribery, it is important to enhance the educational system by sensitizing students and families about it and how to reduce it and to report any act of bribery seen or noticed in any field. Finally and most importantly, especially nepotism which refers to one of the major problems that spread at a fast speed and it's extremely tough to deal with it but to begin banning this problem we have to report the practicing of nepotism by any person in any place especially if the one getting the benefit is not qualified for occupying that job...etc. To conclude, these are some of the solutions that can be offered yet the list still goes on, as well as fighting this danger is not only government concern but all citizens need to help and be reunited as one person in order to erase this issue completely, so we have to put hand in hand to live in a world we are all dreaming of.

Mrs. Ann Summers
Majestic Travel Agency Manager
2576 St. Rt. 3
Marblehead, Ohio

92187 Summerfield St.
Grove City, Liverpool 43123

June 10, 2015

Dear Mrs. Summers,

I am writing to complain about the poor standard of accommodation during my last holiday. I booked this self-catering holiday last year with your travel agency to Hawaii. When I came back, I immediately visited the agency to complain and seek compensation for my shocking experiences.

If I had known that the accommodation would be so poor, I would have booked from the beginning a full-service holiday. What I expected was a luxurious apartment with a small oven. Not only was the room dirty and full of bugs, but the shower was broken and unusable. To make matters even worse, there was no oven as I had requested. I have never seen such a bad service at a self-catering holiday before. You can imagine my anger when I had to eat out. Not surprisingly, I booked another room, which, although without an oven, was at least clean and with a working shower. Therefore, this room cost a lot more than the apartment and I had to eat out too.

My purpose in visiting the agency was to ask for compensation. The young lady who served me offered some supporting documents as compensation. She advised me to take my time with the answer. I have decided to ask your agency for a cash refund. Would a refund of about 500 dollars be too much to expect?

At the very least, I would like you to inform me of the action you will take with regard to the additional expenses I have paid. Unless adequate action is taken, I shall have no other option but to publish this letter in the local newspaper.

Sincere regards,
Bill Gordon
